**Sat 16 April – Mon 25 April 2011**

**Your commitment**

You will be required to pay the deposit of €520 (£450) online at the time of booking and pledge to raise a minimum amount of sponsorship (€4,500) for the Irish Red Cross.

You will need to send your sponsorship money to the charity as you raise it.

At least 80% of the minimum sponsorship required (€3,600) must be sent to the charity ten weeks before departure and the remaining 20% (€900) within four weeks of completing the challenge.

If you have raised the necessary funds, the charity will then pay the balance of your expedition costs.

The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.

If you choose to purchase our comprehensive policy, you will be required to pay GBP69 via our online payment facility.
