

small group bookings

terms and conditions

1. This applies to only 'open' challenges (i.e., a challenge "in aid of any charity") and not exclusive departures.
2. The people who you are claiming the £50 refund for must actually travel with the group.
3. Your £50 discount will start from the 3rd person who joins your small group.
4. If you are booking as a self funder, we will deduct the refundable amount from the balance of your challenge costs eight weeks before departure.
5. If you are booking under the minimum sponsorship option, we will send you a cheque for the refundable amount once your chosen charity has paid for the balance of your challenge costs (eight weeks before departure).
6. Only one promotional code can be used at any time.
7. Does not apply on all UK challenges and London to Paris Bike Ride.
