24 PEAKS  
UK

Fri 26 Jul - Sun 28 Jul 2024

## In aid of your choice of charity

26 Jul - 28 Jul 2024

### 3 DAYS | UK | EXTREME

Unique multi-day mountain challenge in the heart of the Lake District. Attempt to summit 24 peaks over the course of 2 days trekking on some of the most iconic mountains in the Lake District.

Based near the town of Ambleside, this challenge is a true challenge. During the two days, you will summit some of the most famous peaks in this stunning UNESCO world heritage site.

This is a fully supported challenge, with mountain leaders encouraging you every step of the way!

- 2 day trekking challenge in the Lake District
- Climb Scafell Pike, England's highest mountain
- Beautiful views from the tops of some of the Lake District's most challenging peaks
- Based in the heart of the Lake District National Park

## YOUR CHALLENGE DAY BY DAY

### DAY 1 *Fri 26 Jul*

-

#### Arrival

Participants will arrive at the hostel in the late afternoon for an introduction and full briefing about the weekend's events. Please note that tonight's evening meal is not included, although you can purchase it from the hostel, a nearby restaurant or alternatively bring your own food to cook at the accommodation.

---

### DAY 2 *Sat 27 Jul*

-

#### Langdale Loop

This will be an early start with a minibus transfer to stunning Langdale.

You will begin the trek from the famous Old Dungeon Ghyll Hotel and your first objective of the day will be the summit of Scafell Pike, England's highest mountain. After reaching Scafell Pike the route heads back towards Langdale, ticking off the peaks as you go, before descending back into the valley for a minibus transfer back to the hostel and your well-deserved celebration dinner.

Langdale route - 26km and 1,866m of ascent

This is the toughest of the two days and consists of greater distance, ascent and rougher terrain. However, with one day of walking in your legs, you will be surprised to find this easier going! The 12 peaks for the day will be:

1. Rossett Pike
2. Tongue Head
3. Allan Craggs
4. Great End
5. Ill Crag
6. Scafell Pike
7. Esk Pike
8. Bowfell
9. Crinkle Craggs
10. Long Top
11. Cold Pike

## 12. Pike O'Blisco

**Meals included:** Breakfast, packed lunch, evening meal

---

**DAY 3** Sun 28 Jul

-

**Fairfield Loop**

After a very early start and a hearty breakfast, the group will head off in minibuses to the start of the challenge in nearby Ambleside.

From here the route will take you up to the summit of Red Screes before heading west and ticking off peaks as you go. You will finish the day on the summit of Fairfield before descending and transferring back to the hostel.

Fairfield route - 21km and 1,433m of ascent.

This is a long day that includes some of the most famous mountains in the Lake District, all directly overlooking lake Windermere. The 12 peaks for this day will be:

1. Snarker Pike
2. Raven Crag
3. Red Screes
4. Middle Dodd
5. Little Hart Crag
6. Dove Crag
7. Hart Crag
8. Scrubby Crag
9. Fairfield
10. Great Rigg
11. Heron Pike
12. Stone Arthur

**Meals included:** Breakfast, packed lunch

---

**NB**

Please note that there are limited trains back from Windermere on Sundays so make sure you have booked an open ticket. You may want to book yourself another night at the hostel in case you miss your train or to avoid travelling/driving home when tired.

This itinerary is there as a guide and may change due to unusual weather patterns, the strength of the group and so on. We will do our very best to keep to the set itinerary; however we cannot be held responsible for any last minute changes that might occur. In all such circumstances, your expedition leader will have the final say.

## HOW TO FUND YOUR CHALLENGE

This page provides you details of the costs of your challenge.  
The costs below are per person.

### SELF FUNDER

-

*Pay a registration fee of £95.00 when you book  
Then a balance of £380.00  
(9 weeks before your challenge)  
Raise as much as you can for your charity.*

### MINIMUM SPONSORSHIP

-

*Registration fee of £95.00 when you book  
Raise a minimum of £775.00 for your charity.*

## WHAT'S INCLUDED

### Before you go

-

- 12.5% off Cotswold Outdoor, Snow + Rock, and Runners Need
- Public liability insurance
- Risk assessment and emergency management planning
- Warm up exercise routines
- Support materials (itinerary, kit list, fact file, Q&As, health notes, travel tips, responsible travel policy and guidance)

### On your challenge

-

- All challenge management before, during and post event
- Accommodation during the challenge (usually in twin share)
- Three meals a day (unless otherwise stated in the itinerary)
- Drinking water on challenge days
- Full back-up support including first-aid qualified staff and first-aid supplies

## WHAT'S NOT INCLUDED

### Before you go

-

- Travel to and from the challenge start/finish point
- Clothing and equipment listed on your Kit List

### On your challenge

-

- Personal spending money
- Any other specific items listed as not included in your Trip Notes

THE DETAILS	
Fundraising deadlines	You will need to send your sponsorship money to the charity as you raise it. At least 80% of the minimum sponsorship required must be sent to the charity 11 weeks before departure (by 10/05/2024), and the remaining 20% within 4 weeks of completing the challenge (by 25/08/2024). If you have raised the necessary funds, the charity will then pay the balance of your challenge costs. The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.
Typical group size	The typical group size is 8 - 16 participants

### Why book with Charity Challenge

- We are a globally respected, multi-award-winning challenge events company.
- You'll be in very safe hands with our thorough safety management systems in place (Challenge Safe)
- The very best Mountain Leaders, who are fully qualified, highly experienced, knowledgeable and fun. They will do everything to help you complete the challenge and have a great time doing it.
- The highest quality 24 Peaks Lake District experience on the market!

### Level of Difficulty

The 24 Peaks challenge is graded as extreme. This is perfect for adventurous types who have previous experience with strenuous mountain walking within the UK, and who are looking for their next challenge. You can tell your supporters that on your 24 Peaks Challenge you will be:

- Trekking for around 24 hours across 2 days
- Summitting 24 challenging peaks in the Lake District, including England's highest mountain, Scafell Pike.
- Trekking across some of the wildest and most remote areas of the Lake District.
- Being self sufficient when out on the hills. There are no resupply points during the days.

### Training

This challenge is a great adventure that will have you trekking up and down an incredible 24 Peaks, therefore requiring a good level of fitness. The ideal training for this challenge is, naturally, hill walking. However, if you do not have the luxury of living near the hills, then the stairs at home (or an office block) are a great place to start. Most training should be part of an ongoing lifestyle, but if this is not the case then you should begin training 2-4 months prior to the challenge and gradually build up as suggested. Remember to use the walking boots that you will be wearing on the challenge in order to get them worn in, and take the daysack that you will be using during the challenge.

There is no substitute for walking in the hills so try if possible to get out on a weekend and train in an area with steep hills. You should progress to training with your boots on from week 4 at the latest, but preferably from week 1. The more you exercise before the expedition, the more you will get out of it.

### Group Size

Our minimum group size is 20 and groups are typically made up of between 20-40 people. There will be one challenge leader for approximately every 10-15 participants.

On occasion, we may be able to run a challenge with less than 20 people. This may incur a small group supplement. If this happens, it will be communicated before your invoice or fundraising deadline.

### Group Management

This is a leader-led challenge and you will be accompanied by our challenge mountain

leaders at all times.

We employ experienced and fully qualified mountain leaders to accompany and lead you. The mountain leaders are first aid qualified and have extensive experience in leading expeditions throughout Britain and overseas. They will be ultimately responsible for the running of the itinerary and the safety of your group. They will be carrying full safety equipment and mountain first aid kits with them at all times.

### Weather

As you know, the weather in the UK can be highly unpredictable and at times erratic, so being prepared is the key! We run UK challenges between March and November, and although the summer months of June-August should be, in general, warmer, sunnier and more stable in terms of the weather conditions, we all know that this isn't always the case. Please check the weather forecasts to ensure that you bring clothing suitable for all weather, including warm and sunny temperatures as well as wind and downpours.

### Terrain

The majority of this challenge takes place over mountain paths within the Lake District, which, although uneven underfoot, are fairly well maintained and regularly used. However, there are a couple of small sections where you will be climbing down over rocks and using your hands to help you up and down. These sections are very few and far between, but may be termed a slight 'scramble'.

### Challenge Timings

Your challenge begins on the evening before the trek, and you should arrive at the confirmed accommodation by approximately 7pm in the evening. You will then meet the leader, as well as the rest of your challenge team, in time for your safety briefing.

The challenge will begin the next morning with a very early start and some breakfast prior to beginning the trek. You should expect to be trekking for around 12 hours each day.

You should expect to finish the challenge on the last day by approximately 6-7pm.

**Please note:** Although this is the approximate time for finishing, delays can happen. If you think it will be pushing it for time for your onward travel please consider staying an extra night in the area. If you have a long drive home after the challenge you may be tired after such a long day so it is also advisable to consider staying an extra night either locally or on your homeward route. Please check the [Visit Lake District website](#) for a list of accommodation options.

### Getting to and from the Challenge

We will confirm all of your 'Final Details' one month prior to the challenge.

The base for your challenge is normally the YHA Butharlp Howe in Grasmere.

Limited car parking is available at no extra cost. We would strongly encourage all participants to car share where possible to limit the disturbance to local residents. The nearest train station is at nearby Windermere and buses and taxi's can take you from the train station to Grasmere village.

**Please note: Whilst we shall do all we can to stick to this finish time, please make sure you book flexible return tickets as delays can happen and we cannot guarantee a precise finishing time or be held responsible for any missed transport.**

### Accommodation

You will spend two nights in same-sex, dormitory-style accommodation with shared bathrooms. It is all part of the challenge!

### Food & Drink

We will be providing you with the following meals during your challenge:

**Saturday:** Breakfast, packed lunch and evening meal

**Sunday:** Breakfast and packed lunch

I would encourage you to bring your own sweets, snacks etc to get you through your challenge according to your own tastes. Please make sure you have at least 2l of water with you for each day of walking – we will not have the opportunity to fill up with water on the hills.

Please note that dinner on the night before the trek is not included. Dinner is available at the hostel but please book this in advance in order to guarantee availability. There are also several restaurants available nearby in Ambleside & Grasmere. Booking is strongly advised as this is a busy tourist area.

### Clothing and Equipment

This challenge takes place in a remote and mountainous environment, away from roads and immediate access to

vehicle evacuation. It is therefore extremely important that you come prepared with the correct kit for this challenge.

Please ensure that your waterproof jacket is able to keep you dry when subjected to rain for several hours at a time, and that you also have waterproof trousers as legs get just as wet as tops. Footwear should also be waterproof and most importantly should have good grip. Sports trainers are not appropriate for the terrain of this challenge. We also ask you to ensure that you bring with you a warm layer, along with a hat and gloves.

Once you book you will have access to kit discounts with our partners Cotswold Outdoor.

Please be aware that because of the environment that this challenge takes place in our leaders may ask to see the vital parts of your kit. Participants found without kit marked on the kit list will not be allowed to take part in the challenge.

### Toilets

There will be bathroom facilities both at the start and end of the trek each day. However, during the challenge such facilities will be limited to the great outdoors!

### Money

You may wish to bring some cash or a credit card to pay for food and drinks at the hostel on the first night.

If you are driving to the start of the Langdale route then you will also need to have some loose change for the car park. Prices vary for parking, but you can expect it to cost around £8 for a day ticket.

### Safety

Charity Challenge considers the safety of all of our participants and staff to be a top priority, and as such we have set up Challenge Safe, one of the most advanced and thorough safety management systems in the industry. Challenge Safe formalises our ethos when it comes to safety, and brings together the procedures and risk management strategies that we use to audit all aspects of our challenges, from vehicles to accommodation to the challenge activity itself. Your welfare is absolutely paramount!

Here are a couple of important points that you should be aware of:

- The terrain on the challenge is often rocky and in wet conditions can be extremely slippery. Please make sure that your walking boots have good grip. Trainers are not appropriate as they lack grip.
- The weather on the summits of the hills can be very different to down in the valleys. Please make sure you carry an additional warm layer, waterproof jacket and trousers and a hat and gloves.
- The ascent of Scafell Pike is particularly steep and does involve the use of your hands to a small extent.
- 12 hours is a long time to be out on the hills. Ensure that you eat lots throughout the day and keep yourself

hydrated by drinking lots of fluids.

### Emergencies

Your Mountain Leaders will have a mobile phone and radio in case of emergencies and the team are trained to deal with any emergency situations. The event is not run as a race though and you will not be expected to walk at a pace beyond your capabilities. Should you find yourself unable to continue for any reason, then our support team will be able to assist you coming off the challenge. Emergencies will be coordinated with the local Mountain Rescue service.

### Pre-Existing Medical Conditions

We do not professionally vet your medical details. Please assess for yourself whether you are fit and able to take on the challenge. Please review the detailed Trip Notes and itinerary to get a better idea of what is involved. Please speak to your doctor or specialist if you have any concerns about taking part. If you think that there are things we can do to make the challenge more accessible/comfortable for you, it is your responsibility to let us know, and we will then let you know if we can accommodate your request.

### Medical Support

First Aid qualified staff will be provided with the medical details that you give on your booking form but please note that they are on the challenge to support with medical matters related to the challenge environment and terrain itself, i.e. heat/cold, high altitude and so on. They will deal with any incidents and accidents (cuts, sprains, breaks and so on). They are not intended to continue any ongoing specialist medical care that you receive in the UK for pre-existing medical conditions, and should not be assumed to have any professional experience of your specific medical condition.

If you have any specific needs around pre-existing medical conditions, you should discuss with your family doctor or specialist in advance and can discuss any advice given by them with the challenge leader or doctor.

### Insurance

We don't offer insurance for our UK trips, as any medical emergencies would naturally be covered through the NHS. Therefore, the main thing that you will not be covered for is cancellation, and you can see our cancellation policy in our terms and conditions [here](#). If you wish, you could look into your own policy that covers cancellation for travel within the UK.

### Responsible Tourism

At Charity Challenge we are committed to sustainable and responsible tourism. On this challenge in particular, we always liaise with the rangers at the Lake District National Park to make sure that we minimise our impact on the local environment. Our leaders care passionately for the environment and will be keen to talk to you about how you can do your bit to conserve the local area and enhance your experience. We believe that acting responsibly

should add to your enjoyment of the challenge so we won't lecture you about not dropping litter. Instead we'd like to encourage you to support 'Fix the Fells' who maintain the excellent footpaths we will be walking on. For more information about Fix the Fells please visit their excellent website by clicking [here](#). We would also like to encourage all our participants to spend a little extra time in the local area. Why not consider booking an extra night in a local B&B and go out for a meal in one of the excellent local pubs after the challenge? Not only will you be able to celebrate your achievements but you will also be putting more money back into the local area. For extra information, please visit our Responsible Tourism pages, where you will be able to view a list of the other projects that we currently support.

“

An amazing, life changing and challenging experience. I feel a fantastic sense of achievement both in the long term training and completing the challenge and in raising a lot of money for a fantastic charity. All positive!

Susanna Hoar

“

24 peaks was really tough but that made it so much more rewarding to complete it. The trip leaders were excellent - they kept us going despite the long days, our sore legs and the "challenging" weather conditions.

Jolene Retallick

“

Whilst physically and emotionally demanding, an amazing and rewarding experience.

Jeff Clark
