7 DAYS | NEPAL | CHALLENGING

The Himalayas provide an awe-inspiring backdrop for this challenging expedition. The itinerary crosses the Annapurna region, home to Nepal's most scenic and popular trekking routes. As the adventure progresses, we pass from lush subtropical vegetation into pristine high alpine forests, passing through traditional villages and farms along the way. Once at the top of Poon Hill, take in the splendour of Annapurna's natural amphitheatre of snowy peaks, including the Annapurna South, Gangapurna and the Annapurna-Dhaulagiri massif.

- Learn more about Adara Developments' work whilst in Kathmandu
- Breakfast at sunrise amid Nepal's majestic mountain ranges
- Trek through tropical rainforest, rhododendron forest and rice terraces
- Spectacular views, from the Annapurna range to Everest
- Explore the city of Kathmandu and its many temples and bazaars

YOUR CHALLENGE DAY BY DAY

DAY 1 Mon 25 Sep

-

Travel from Kathmandu to Pokhara

Leaving the capital today we drive to Pokhara. The drive will take us much of the day but there is plenty to see as the landscape changes and the Annapurna range comes in to view.

Overnight in Pokhara

DAY 2 Tue 26 Sep

-

Sudame to Ghorepani, 2,856m (6-7 hours)

After a hearty breakfast, you will be transferred to the starting point of the trek Sudame. Here you will meet the local staff set off onto the beginning of your challenge. The trail gradually ascends to the valley of Hile and Tirkedhunga. There's a steep walk up 3,200 steps towards the large Magar village of Ulleri at 2,073m. We then head gently upwards to Banthanti (2,250m) and eventually Ghorepani, 2,856m, through oak and rhododendron forest. Overnight in a tea house at this popular stop along the Annapurna trekking circuit.

DAY 3 Wed 27 Sep

-

Morning hike to Poon Hill then trek to Tadapani 2,625m (approximately 5 hours)

Rise and shine early to catch the sunrise atop Poon Hill (3,210m). After experiencing the great views of the Himalayan panorama from here, you will descend to Ghorepani for a hard-earned breakfast. From here the trek continues – mainly downwards – along the ridges of rhododendron and pine forest towards Tadapani. Overnight in tea house.

DAY 4 Thu 28 Sep

-

Day 5: Trek from Tadapani to Landrung, 1,430m (approximately 5- 6 hours)

Expect more of the magnificent Annapurna views as the day begins downhill through forest and alongside tiny villages. Eventually we arrive at Ghandruk, a large Gurung village with traditional houses and slate roofs. Down we continue from here to the bridge at Phedi which crosses the raging Modi river. It's then an hour-long uphill walk to the village of Landrung where we will stay at a tea house.

DAY 5 Fri 29 Sep

-

Trek from Landrung to Thulo Kharka 2,050 meters (approximately 6 hours)

Awake to another sunrise, this over the spectacular Annapurna south (7,219m) and Himchili (6,444m). The day then begins with a gradual walk along a winding trail through terraced fields, eventually reaching Deurali ridge (2,150m). Down we go through the forest to the small wooded village of Pothana, which offers views as far as Phewa Lake in Pokhara. Today's final stretch passes through cool forest to Thulo Kharka. Overnight in a tea house.

DAY 6 Sat 30 Sep

-

Trek to Kande and drive back to Pokhara, 830m (approximately 1 hour trek and 1 hour drive)

There's time for one more mountain breakfast before we head off for an hour's easy walk which overlooks the valley below. A steep stone staircase leads down through rhododendron and pine forest. The trail descends through the tropical forest to Kande (1,180m), from where it's an hour's drive to Pokhara. Here we check in to a our hotel for a celebratory meal and some much-needed relaxation.

Level of Difficulty

The Poon Hill Himalayan Trek challenge is graded as “challenging” due to the terrain, high altitude, and basic facilities. A good level of fitness is required for this challenge. This challenge will be perfect for anyone who leads a fairly active and moderately healthy lifestyle should be able to complete the trek as long as they train regularly over a period of at least three months leading up to it, so as to build up stamina and endurance. Don't forget that the temperature and the altitudes will be very different from the UK and that you will be exercising constantly for a number of days

- You will be trekking for up to 7 hours on 4 days consecutively.
- Overnight in hotels or tea houses
- It is very common for flights to be delayed due to bad weather conditions
- The facilities in general are basic

Money

Currency: Nepal uses the Nepalese rupee. This is a closed currency which means that you will not be able to find Nepalese rupees outside of Nepal. For up to date currency exchange, go to www.xe.com. Please note that British Pounds, Euros and USD dollars can be exchanged at Kathmandu airport and in the city.

Credit Cards: Accepted in all major hotels, banks and stores in Kathmandu and Pokhara. Make sure you know your pin number before leaving home.

ATMs: Please note that ATMs are not always available and that when they are they do not always work. It is generally easier to visit a bank, but your local guide will advise.

How much to bring: You will not need a large amount of money during this trip and other than at the start and end of the challenge, you will be in the mountains away from any foreign exchanges or banks. You will only need money for tips, additional food & drink, gifts & souvenirs, departure tax and for any other additional activities that you wish to do. On average we recommend around £250 and a credit card for emergencies as mentioned above.

Tipping: Tipping is personal and at your sole discretion. You should only tip if you feel that you have received good service. We recommend approx. US\$10 per person per challenge day and this should be given to the expedition leader/sherpa guide at the end of the trip who will advise you how to distribute it among the support team at your final celebration in Pokhara. NB: you may be approached by local porters at the airport. Their tips are not included; if you agree for them to take your bags to the transfer vehicle, please be prepared to tip them a small, nominal amount (\$1). However, our team will be there to help you with baggage.

Visa

You must hold a full ten-year passport with at least six months to run from the end of your expedition. Airlines may not carry passengers holding passports with less than 6 months validity. We will provide you with a visa application form or you can download one from the embassy website - www.nepembassy.org.uk/visa_information.html. The validity of visa dates is counted from the date of arrival in Nepal. You should apply about 12 weeks before departure for a single-entry tourist visa. Do not apply too early otherwise it will run out before you leave for Nepal. It is valid for six months from the date of issue. The visa is valid for 60 days on entry and costs £20. Also see Travel Tips & your visa letter 3 months prior to departure.

Vaccinations

For up to date vaccination information please check the NHS Government website 'Fit for Travel' at: <http://www.fitfortravel.nhs.uk/home.aspxb>. Malaria precautions are essential in all areas below 1200m, all year round. The risk in Kathmandu and mountainous areas of similar or greater altitude is very small. Check with your doctor or nurse about suitable anti-malarial tablets.

Flights

Flights are not included. You will need to organise your own travel to and from Kathmandu.

Insurance

It is a condition of booking that you have a suitable travel insurance policy whilst participating on the challenge. We have a special policy which covers among other things, medical (emergency, evacuation and repatriation) arrangements, cancellation and curtailment of the challenge, and more specifically for the adventurous activities undertaken on this challenge. If you have your own travel insurance policy, you must ensure that it provides at least the same level of cover as our recommended policy, including protecting the charity in the event of your cancellation 56 days or less prior to departure. If you choose not to purchase our recommended policy when you book we will send you a disclaimer which you should complete and return.

For more general travel insurance questions, please refer to our main [FAQs](#) page.

Group Size

Each Group is intended to be a minimum of 16 people in order to run and a maximum of approximately 25 people. We will be able to run this challenge for 10 to 15 people by charging a small group supplement of £75 which will be added to your final balance invoice (self-funders).

Leadership

We employ a number of first aid qualified challenge leaders, all of whom speak fluent English. They will be ultimately responsible for the running of the itinerary and the safety of your group.

You will be joined by a UK Charity Challenge leader.

Climate

Luckily, the area where our Poonhil Himalayan Trek is set is the best area for trekking all year round. The area receives little rainfall during monsoon season due to shelter provided by the Annapurna mountain range. During the day temperatures is warm especially if the sun is out, but at night it will always be below zero. You must be prepared for the worst, as mountain weather conditions can be extremely unpredictable.

Terrain

The terrain is mountainous, with several though uphill sections. The itinerary is built up in a way that we have allowed plenty of time for you to acclimatize to the altitude.

Luggage allowance and valuables

As no formal clothes are needed, luggage should be kept to the absolute minimum – details on what to pack are provided in your Kit List. Your rucksack (suitcases are not appropriate) must not exceed 15kgs in weight (due to restrictions on what your mountain porters can carry). You can leave any gear you wish to in your hotel in Kathmandu while you trek. While trekking, yaks will transport your personal kit to the next camp, meaning that you will only have to carry a daypack.

Typical day

During the trekking days we rise early and pack up camp before breakfast, then trek carrying only daypacks for 5-7 hours. There will be a picnic lunch on route and plenty of time to stop and view the remarkable scenery. The trek zone is remote and rare flora and fauna will be seen. The evenings are spent in beautifully located camps, where the food and facilities are fairly simple.

Accommodation

The hotel in Kathmandu and Pokhara will be three stars and located at the centre of town. Rooms are usually en-suite. During the trek you will stay at basic tea houses along the route. If you are travelling with a friend or partner who you wish to share with, please let Charity Challenge know in advance.

Food & Drink

The food in Kathmandu and Pokhara is varied. During the trek the food is basic and supplied by the tea houses. be cooked. Please let Charity Challenge know prior to departure if you have any specific dietary requirements or allergies.

Clothing and equipment

Good quality, durable kit could mean the difference between a fantastic challenge experience and an uncomfortable one. For this challenge, waterproof, well-worn in boots will be indispensable, particularly coupled with some really good quality walking socks. You don't need a clean pair every day, but enough to make sure you have dry socks each morning. The benefits of a comfortable day sack cannot be underestimated, so make sure that you train with this. Other essentials are high quality Gore-Tex waterproof and windproof jackets and trousers, technical/wicking t-shirts rather than cotton shirts, and a down jacket for the evenings in camp and your summit day/night. A full kit list for this challenge can be found [here](#) and once you book you will have access to kit discounts with our partners The Outdoor Shop, Outdoorhire and Cotswold Outdoor.

Toilets

You should be able to use the tea houses toilets along the way whilst trekking. please note that due to the wilderness environment, the facilities will be somewhat spartan.

Phone and WiFi

Apart from Kathmandu, there will be very limited phone and internet reception.

Safety

Charity Challenge considers the safety of all of its participants and staff to be a top priority, and as such we have set up one of the most advanced and thorough safety management systems in the industry. In a nutshell, Our Challenge Safe brand formalises our ethos when it comes to safety, and brings together the procedures and risk management strategies that we use to audit all aspects of our challenges, from vehicles to accommodation to the activity itself. Your welfare is paramount!

In terms of your Poonhil Himalayan Trek, there are a couple of important points that you should be aware of:

- You will be trekking for up to 7 hours on 4 days consecutively.
- The facilities in general are basic
- The tea houses are basic

Emergencies

The event is not run as a race and there is always a large discrepancy in people's walking ability, which is allowed for. There will be a staff member at the back of the group at all times to ensure that you are not left behind and can take things at your own pace. If we find that somebody is unable to walk at all, then we can transport them from one location to the next by horse or with the help of our staff, but only as a final option (due to often poor weather conditions this can be difficult). Contact will be maintained between guides and the support team allowing for emergency evacuation if necessary.

Training

This challenge is graded 'moderate', which means that a good level of fitness is required. Anyone who leads a fairly active and moderately healthy lifestyle should be able to complete the trek, as long as they train regularly over a period of at least three months leading up to it. Don't forget that the temperature and the altitudes are different from the UK. Walking up hills and climbing stairs are both ways to condition your lower body. Begin slowly, without the weight of a pack, eventually adding weight as you increase your training pace. Take long hikes (6-8 hours) with a weighted pack, up and down hills or on small mountains (weigh your pack with water containers and pour out the water before your descent to minimise knee stress).

Challenge Training

If you would like to get a feel for our challenges ahead of your departure, why not consider booking on a 1 or 2 day UK Challenge?

We have a variety of challenges, covering all levels of difficulty, taking place in stunning National Parks across the UK that are led by highly qualified and experienced expedition and mountain leaders. These challenges will give you the perfect opportunity to monitor fitness levels, test out your kit, meet people in the great outdoors, share fundraising stories and gain valuable advice and support for the challenge ahead. We encourage participants to make use of our highly knowledgeable leaders and ask them any questions you may have about clothing and equipment, expedition health and wellbeing, trekking skills, walking techniques and teamwork!

We are offering all participants **50% off** the registration fee when you book on one of the UK challenges listed via the link below. Just use the code **TRAINING** when booking. T&C's – you must have an active booking on a challenge to avail of this offer. Discount cannot be used in conjunction with any other offer. Find out more [here](#)
