CNX - SNOWDON CHALLENGE
UK

Sat 15 Jun - Sat 15 Jun 2019

In aid of The Albion Foundation

15 Jun - 15 Jun 2019

1 DAYS | UK | CHALLENGING

This exciting challenge will require you to trek to the summit of Snowdon in the Snowdonia National Park in Wales. The Snowdonia National Park is home to some of the most rugged and challenging peaks in Britain giving its reputation as one of the best natural adventure play grounds in the U.K.

- A weekend challenge in the rugged Welsh landscape
- Trek to the summit of the highest peak in Wales
- Beautiful views and landscapes of the heart of Snowdonia
- Raise money for the Albion Foundation

YOUR CHALLENGE DAY BY DAY

DAY 1 *Sat 15 Jun*

-

The day of the challenge

Your challenge will start in the town of Llanberis, right in the heart of the mountains of Snowdonia. You will meet your challenge leaders and be given your challenge safety briefing before beginning the trek.

Our route takes us up and down the Llanberis path, a distance of 15km and with almost 1,000m of ascent to reach the summit. You will be supported every step of the way by our fully qualified mountain leaders. Reaching the summit is sure to be a special moment, and hopefully the weather will provide us with spectacular views of the surrounding landscape.

Upon descending you will be presented with your challenge medal.

HOW TO FUND YOUR CHALLENGE

MINIMUM SPONSORSHIP

-

Registration fee of £75.00 when you book

Raise a minimum of £225.00 for your charity.

WHAT'S INCLUDED

Before you go

-

- Members only benefits and discounts at a wide range of clothing and equipment suppliers including Outdoorhire, Cotswold Outdoor, Runners Needs, Snow + Rock, Water to Go, The Altitude Centre, Sporttape and Nomad & MASTA.
- 16 and 20 week trek/bike training schedule
- Fitness training notes
- Sponsorship forms (online and hard copy)
- A-Z of fundraising ideas
- Support materials (itinerary, kit list, fact file, Q&As, health notes, travel tips, responsible travel policy and guidance)
- Public liability insurance
- Risk assessment and emergency management planning

On your challenge

-

- All challenge management before, during and post event
- Drinking water on challenge days
- Full back-up support including first-aid qualified staff and first-aid supplies

WHAT'S NOT INCLUDED

Before you go

-

- Travel to and from the challenge start/finish point
- Clothing and equipment listed on your Kit List

On your challenge

-

- Accommodation during the challenge (usually twin-share or same-sex dormitories in the tea houses)
- Personal spending money
- Any other specific items listed as not included in your Trip Notes

THE DETAILS

Fundraising deadlines

You will need to send your sponsorship money to the charity as you raise it. At least 80% of the minimum sponsorship required must be sent to the charity 7 weeks before departure (by 27/04/2019), and the remaining 20% within 4 weeks of completing the challenge (by 13/07/2019). If you have raised the necessary funds, the charity will then pay the balance of your challenge costs. The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.

Typical group size

The typical group size is 16 - 60 participants

Level of Difficulty

The Snowdon Challenge is graded as challenging. This is the perfect challenge for participants who are of an adventurous spirit and an open mind and who wish to push themselves in one of the UK's most iconic landscapes. You can tell your supporters that on your Snowdon Challenge you will be:

- Trekking for around 7-8 hours in a single day.
- Covering 15km of mountainous terrain.
- Trekking without support, carrying all your food and water for the entire day.
- Ascend 1000m in a single day.
- Summitting one of the UK's highest mountains, and the highest peak in Wales!

Clothing and Equipment

Good quality and durable equipment could make the difference between a fantastic challenge experience and an uncomfortable one. For this challenge, waterproof and well-worn in boots will be indispensable. The terrain is uneven and can be very rough, so it is vital that you use a strong pair of canvas or leather boots with good ankle support for this challenge, coupled with a pair of good quality walking socks. Trainers are not suitable. The benefits of a comfortable day sack cannot be underestimated - so make sure that you train with this. Other essentials are high quality gore-tex waterproof and windproof jackets and trousers, as well as technical/wicking t-shirts rather than cotton shirts. We would like to emphasize that jeans should not be worn on this challenge. A full kit list for this challenge can be found here. Once you book you will have access to kit discounts with our partners The Outdoor Shop, Outdoorhire and Cotswold Outdoor.

Training

This challenge is a great adventure that will have you trekking up and down the highest mountain in Wales over one day, therefore requiring a moderate to good level of fitness. The ideal training for this challenge is, naturally, hill walking. However, if you do not have the luxury of living near the hills, then the stairs at home (or an office block) are a great place to start. Most training should be part of an ongoing lifestyle, but if this is not the case then you should begin training 2-4 months prior to the challenge and gradually build up as suggested. Remember to use the walking boots that you will be wearing on the challenge in order to get them worn in, and take the daysack that you will be using during the challenge.

There is no substitute for walking in the hills so try if possible to get out on a weekend and train in an area with steep hills. You should progress to training with your boots on from week 4 at the latest, but preferably from week 1. The more you exercise before the expedition, the more you will get out of it.

Money

During the trek there are 2 points on the route where you are able to buy snacks and drinks. You therefore may like to bring some money to use at these opportunities.

Groups size

This challenge will have a group size of between 40 and 60 people.

The aim of this challenge is to support each other to reach the summit, and descend. This challenge will not be run as a challenge and it is unsuitable to anyone wishing to see this as an individual challenge against the clock.

During the course of the trek it is very likely that you will split into smaller groups, but at all times you will be accompanied by one of our qualified mountain leaders.

Leadership

We employ experienced and fully qualified mountain expedition leaders to accompany and lead you. The mountain leaders are first aid qualified and have extensive experience in leading expeditions throughout Britain and overseas. They will be ultimately responsible for the running of the itinerary and the safety of your group. They will be carrying full safety equipment and mountain first aid kits with them at all times.

Weather

As you know, the weather in the UK can be highly unpredictable and at times erratic, so being prepared is the key! We run UK challenges between April and October, and although the summer months of June-August should be, in general, warmer, sunnier and more stable in terms of the weather conditions, we all know that this isn't always the case. Please check the weather forecasts up to ensure that you bring clothing suitable for all weathers, including warm and sunny temperatures as well as wind and sudden downpours.

It is important to remember that the weather on the mountain is likely to be every different to that down at the bottom. Therefore please always ensure that you carry all of the kit listed as essential on your kit list.

Terrain

This challenge takes place on a well maintained footpath. However, the path is rocky in places and can be slippery if wet. Certain sections of the path are steeper than others but there are no sections that require you to use your hands to scramble.

Challenge Timings

Precise timings and a meeting location will be sent in your Final Details document 1 month before the challenge.

You can expect to need to meet your challenge leaders in the town of Llanberis at approximately 9am on the Friday morning.

Walking times on the mountain can vary enormously, but you should expect it to take approximately 7-8 hours. You will finish back where you started in Llanberis at approximately 5pm.

However, timings can change, so please ensure you have flexible travel plans.

Getting there

The precise meeting point will be confirmed in your Final Details document sent out 1 month before the challenge.

Your meeting point will be in the town of Llanberis, in the heart of the Snowdonia National Park.

Llanberis has plenty of paid car parking available.

If you are travelling by public transport then please refer to the [Visit Snowdonia](#) travel advice by [clicking here](#).

Accommodation

No accommodation is provided for this challenge.

If you would like to extend your stay then Snowdonia has numerous excellent accommodation options for all budgets. Please check out the [Visit Snowdonia](#) website for more information.

Food and Drink

At your safety briefing before the challenge we will provide you with the ability to fill up water bottles. We will also provide some snacks such as fruit and chocolate bars.

No packed lunch is provided and you should ensure that you bring your own for the challenge along with additional snacks to meet your own needs.

Toilets

There will be toilet facilities at the start of the trek and at certain locations along the way. However, these toilets are frequently closed or unavailable so please be prepared to have to use more natural facilities.

Safety

Charity Challenge considers the safety of all of our participants and staff to be a top priority, and as such we have set up Challenge Safe, one of the most advanced and thorough safety management systems in the industry. Challenge Safe formalises our ethos when it comes to safety, and brings together the procedures and risk management strategies that we use to audit all aspects of our challenges, from vehicles to accommodation to the challenge activity itself. Your welfare is absolutely paramount!

Here are a couple of important points that you should be aware of:

- The terrain on the challenge is often rocky and in wet conditions can be extremely slippery. Please make sure that your walking boots have good grip. Trainers are not appropriate as they lack grip.
- The weather on the summits of the hills can be very different to down in the valleys. Please make sure you carry an additional warm layer, waterproof jacket and trousers and a hat and gloves.
- 7-8 hours is a long time to be out on the hills. Ensure that you eat lots throughout the day and keep yourself hydrated by drinking lots of fluids.

Emergencies

Your leading team are trained to deal with emergency situations in remote areas and will be carrying a mobile phone and radios in case the emergency services need to be contacted. The event is not run as a race and you will never be encouraged to walk at a pace 'beyond your ability'. There will always be a wide variety in people's walking abilities which will be carefully managed by the leader team. This team will always keep the group together for maximum safety.
