SNOWDON CHALLENGE  
UK

Fri 30 Aug - Sat 31 Aug 2019

## In aid of Yeovil Hospital Charity

30 Aug - 31 Aug 2019

### 2 DAYS | UK | CHALLENGING

This exciting challenge will require you to trek to the summit of Snowdon in the Snowdonia National Park in Wales. The Snowdonia National Park is home to some of the most rugged and challenging peaks in Britain giving its reputation as one of the best natural adventure play grounds in the U.K.

- A weekend challenge in the rugged Welsh landscape
- Summit the highest peak in Wales, the famous Snowdon at 1,085m
- Beautiful views and landscapes of the heart of Snowdonia
- Raise money for a very worthwhile cause

## YOUR CHALLENGE DAY BY DAY

### DAY 1 *Fri 30 Aug*

-

#### ARRIVAL AND PREPARATION

The adventure begins in the late afternoon at our hotel in Llanberis, right in the heart of the mountains in Snowdonia. You will need to arrive by 8pm to meet your leaders and for the full safety briefing.

Please note that dinner on this first night is not included.

---

### DAY 2 *Sat 31 Aug*

-

#### The day of the challenge

Rise and shine for breakfast and a bright and breezy start! Our route takes us up and down the Llanberis path, a distance of 15km and with almost 1,000m of ascent to reach the summit. You will be supported every step of the way by our fully qualified mountain leaders. Reaching the summit is sure to be a special moment, and hopefully the weather will provide us with spectacular views of the surrounding landscape.

Upon descending you will be presented with your challenge medal.

---

## HOW TO FUND YOUR CHALLENGE

### MINIMUM SPONSORSHIP

-

*Registration fee of £50.00 when you book*

*Raise a minimum of £325.00 for your charity.*

### WHAT'S INCLUDED

#### Before you go

- Packed lunch and drinks
- Full back-up support including first-aid qualified staff and first-aid supplies
- Drinking water on challenge days
- Accommodation during the challenge (usually in twin share)
- Breakfast before the challenge

### WHAT'S NOT INCLUDED

#### Before you go

-

- Travel to and from the challenge start/finish point
- Clothing and equipment listed on your Kit List

#### On your challenge

-

- Personal spending money
- Any other specific items listed as not included in your Trip Notes

## THE DETAILS

## Fundraising deadlines

You will need to send your sponsorship money to the charity as you raise it. At least 80% of the minimum sponsorship required must be sent to the charity 7 weeks before departure (by 12/07/2019), and the remaining 20% within 4 weeks of completing the challenge (by 28/09/2019). If you have raised the necessary funds, the charity will then pay the balance of your challenge costs. The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.

## Raising the sponsorship

Help us to raise the £2 million needed to build a dedicated Breast Cancer Unit at Yeovil Hospital.

## Typical group size

The typical group size is 20 - 50 participants

## Level of Difficulty

The Snowdon Challenge is graded as challenging. This is the perfect challenge for participants who are of an adventurous spirit and an open mind and who wish to push themselves in one of the UK's most iconic landscapes. You can tell your supporters that on your Snowdon Challenge you will be:

- Trekking for around 7-8 hours in a single day.
- Covering 15km of mountainous terrain.
- Trekking without support, carrying all your food and water for the entire day.
- Ascend 1000m in a single day.
- Summiting one of the UK's highest mountains, and the highest peak in Wales!

## Clothing and Equipment

Good quality and durable equipment could make the difference between a fantastic challenge experience and an uncomfortable one. For this challenge, waterproof and well-worn in boots will be indispensable. The terrain is uneven and can be very rough, so it is vital that you use a strong pair of canvas or leather boots with good ankle support for this challenge, coupled with a pair of good quality walking socks. Trainers are not suitable. The benefits of a comfortable day sack cannot be underestimated - so make sure that you train with this. Other essentials are high quality gore-tex waterproof and windproof jackets and trousers, as well as technical/wicking t-shirts rather than cotton shirts. We would like to emphasize that jeans should not be worn on this challenge. A full kit list for this challenge can be found [here](#). Once you book you will have access to kit discounts with our partners The Outdoor Shop, Outdoorhire and Cotswold Outdoor.

## Training

This challenge is a great adventure that will have you trekking up and down the highest mountain in Wales over one day, therefore requiring a moderate to good level of fitness. The ideal training for this challenge is, naturally, hill walking. However, if you do not have the luxury of living near the hills, then the stairs at home (or an office block) are a great place to start. Most training should be part of an ongoing lifestyle, but if this is not the case then you should begin training 2-4 months prior to the challenge and gradually build up as suggested. Remember to use the walking boots that you will be wearing on the challenge in order to get them worn in, and take the daysack that you will be using during the challenge.

There is no substitute for walking in the hills so try if possible to get out on a weekend and train in an area with steep hills. You should progress to training with your boots on from week 4 at the latest, but preferably from week 1. The more you exercise before the expedition, the more you will get out of it.

## Money

During the trek there are 2 points on the route where you are able to buy snacks and drinks. You therefore may like to bring some money to use at these opportunities.

## Group size

This challenge will have a minimum group size of 20 people.

The aim of this challenge is to support each other to reach the summit, and descend. This challenge will not be run as a race and it is unsuitable to anyone wishing to see this as an individual challenge against the clock.

During the course of the trek it is very likely that you will split into smaller groups, but at all times you will be accompanied by one of our qualified mountain leaders.

### Leadership

We employ experienced and fully qualified mountain expedition leaders to accompany and lead you. The mountain leaders are first aid qualified and have extensive experience in leading expeditions throughout Britain and overseas. They will be ultimately responsible for the running of the itinerary and the safety of your group. They will be carrying full safety equipment and mountain first aid kits with them at all times.

### Weather

As you know, the weather in the UK can be highly unpredictable and at times erratic, so being prepared is the key! We run UK challenges between April and October, and although the summer months of June-August should be, in general, warmer, sunnier and more stable in terms of the weather conditions, we all know that this isn't always the case. Please check the weather forecasts up to ensure that you bring clothing suitable for all weathers, including warm and sunny temperatures as well as wind and sudden downpours.

It is important to remember that the weather on the mountain is likely to be very different to that down at the bottom. Therefore please always ensure that you carry all of the kit listed as essential on your kit list.

### Terrain

This challenge takes place on a well maintained footpath. However, the path is rocky in places and can be slippery if wet. Certain sections of the path are steeper than others but there are no sections that require you to use your hands to scramble.

### Challenge Timings

Precise timings and a meeting location will be sent in your Final Details document 1 month before the challenge.

You can expect to need to arrive at your challenge accommodation in Llanberis by the early evening (by 8pm). Here you will meet your fellow challengers and leaders and have the challenge safety briefing.

Please note that this evening's meal is not included in the challenge. Food is available at the accommodation but should be pre-booked.

Your day begins with an early breakfast, and time to prepare for the challenge ahead. The challenge itself commences

at approximately 9am.

Walking times on the mountain can vary enormously, but you should expect it to take approximately 7-8 hours. You will finish back where you started in Llanberis at approximately 5pm.

If you are travelling by public transport then please try to book a flexible ticket in case you finish earlier or later.

N.B. Although this is the planned time for finishing delays can happen. We highly recommend that you try not to travel until you have given yourself time to recover and rest after the challenge. Please consider staying an extra night in the area.

### Getting there

You will be staying in a local accommodation close to or in the village of Llanberis. You should plan to arrive for 8pm on the evening before the challenge. It is planned that the group will all stay at The Royal Victoria Hotel in Llanberis (LL55 4TY), which is within walking distance of the start and end of the trek.

Confirmation of the accommodation and the precise location will be given in your Final Details information 1 month prior to the challenge departure.

### Accommodation

Accommodation is provided in a hotel in or very close to Llanberis. It is planned that the group will all stay at The Royal Victoria Hotel in Llanberis (LL55 4TY), which is within walking distance of the start and end of the trek. Confirmation of the accommodation will be given in your Final Details information 1 month prior to the challenge departure.

### Food and Drink

You will be provided with breakfast on the morning of your challenge, and a packed lunch during the day. There will also be snacks and an ability to fill up your water bottles before the challenge.

Dinner is not provided on the evening that you arrive at your accommodation. Food is available at the accommodation, but will need to be pre-booked.

### Toilets

There will be toilet facilities at the start of the trek and at certain locations along the way. However, these toilets are frequently closed or unavailable so please be prepared to have to use more natural facilities.

### Safety

Charity Challenge considers the safety of all of our participants and staff to be a top priority, and as such we have set up Challenge Safe, one of the most advanced and thorough safety management systems in the industry. Challenge

Safe formalises our ethos when it comes to safety, and brings together the procedures and risk management strategies that we use to audit all aspects of our challenges, from vehicles to accommodation to the challenge activity itself. Your welfare is absolutely paramount!

Here are a couple of important points that you should be aware of:

- The terrain on the challenge is often rocky and in wet conditions can be extremely slippery. Please make sure that your walking boots have good grip. Trainers are not appropriate as they lack grip.
- The weather on the summits of the hills can be very different to down in the valleys. Please make sure you carry an additional warm layer, waterproof jacket and trousers and a hat and gloves.
- 7-8 hours is a long time to be out on the hills. Ensure that you eat lots throughout the day and keep yourself hydrated by drinking lots of fluids.

### Emergencies

Your leading team are trained to deal with emergency situations in remote areas and will be carrying a mobile phone and radios in case the emergency services need to be contacted. The event is not run as a race and you will never be encouraged to walk at a pace 'beyond your ability'. There will always be a wide variety in people's walking abilities which will be carefully managed by the leader team. This team will always keep the group together for maximum safety.
