DEAD TO RED BIKE RIDE  
JORDAN

Sat 09 Nov - Sat 16 Nov 2024

## In aid of your choice of charity

09 Nov - 16 Nov 2024

### 8 DAYS | JORDAN | CHALLENGING

Discover the best of what Jordan has to offer with this new five day cycling challenge from the North to the South of Jordan. During this challenge, you will pedal your way to many of the 'must see' locations in this historic and breathtaking country. As you make your way to the Red Sea, you will visit the spiritual site of Mount Nebo, float in the Dead Sea, enjoy a well-earned rest day to explore the ancient red-rose city of Petra, camp in the Wadi Rum desert and celebrate with a swim in the Red Sea!

Covering 225km over five days of cycling, this ride is graded as "challenging", designed to allow you to soak up the incredible scenery and culture of Jordan. Expert cycle guides will be with you every pedal of the journey, ensuring your comfort and safety.

- Visit the lowest point on Earth and take a dip in the Dead Sea
- Pedal past the stunning Dana Mountains
- Discover the ancient 'rose city' of Petra, a UNESCO World Heritage Site
- Witness stars like you have never seen them before as you camp Bedouin-style in the Wadi Rum desert
- End this incredible challenge with a swim in the Red Sea

## YOUR CHALLENGE DAY BY DAY

### DAY 1 Sat 09 Nov

-

#### International departure from London

Your journey begins at the airport where you'll meet your fellow teammates. Last minute nerves will morph into excitement as you touch down in Queen Alia Airport, Amman. On arrival meet your local guide and have a 35 minute transfer to the hotel in Amman. (D on Flight)

Accommodation: Hotel

---

### DAY 2 Sun 10 Nov

-

#### Visit Jerash, then cycle to Madaba (35km)

After breakfast, you will have a vehicle transfer to the ancient Greco Roman city of Jerash. Your guide will take you for a tour through the colonnaded street, amphitheater, churches, temples and the vast Roman Forum. After a good look around, you will hop on to the saddle for the first time to make your way to Madaba through the Jordan Rift Valley. (B,L,D)

Accommodation: Hotel

---

### DAY 3 Mon 11 Nov

-

#### Madaba to Dana Village via Mount Nebo and the Dead Sea (40km)

After breakfast, you will visit St. George Church in Madaba and the largest mosaic map in the world. You will then continue to Mount Nebo, the highest in the Moabit range which has been a center for pilgrimages since earliest Christian times. You will then ride down to the lowest point on Earth; the Dead Sea, 400 meters below sea level. You will have time for lunch and to smother your body in the mineral rich mud renowned for its healing properties, before taking a dip, where the high levels of salt and minerals mean you can't help but float! You will then proceed to Dana for your nights accommodation. (B,L,D). Vehicle Transfer - 160km / 3 hours.

Accommodation: Hotel

---

### DAY 4 Tue 12 Nov

-

#### Dana Village to Wadi Musa, Petra (50km)

Fuel up for a big day of cycling over breakfast in Dana. You'll have an enjoyable day in the saddle as you cycle through the magnificent scenery of the Dana Mountains then we ride our bikes until we reach the hotel in Wadi Musa, the town just outside of Petra. (B,L,D).

Accommodation: Hotel

---

### DAY 5 Wed 13 Nov

-

**A tour of the UNESCO city of Petra**

A day off the bike today and on foot instead. After breakfast, as a group, you will make your way to the Petra Visitor Centre for the start of your full day tour to the red rose city; Petra. You will access Petra through the main entrance to the site which is an incredible start to the day. You will walk through the Siq, a narrow passage between the massive walls of rock, that leads you to the breathtaking Treasury, whose towering façade bedecked with magnificent columns was made famous in the final sequence of the popular Hollywood film - Indiana Jones and the Last Crusade. Our highly experienced and knowledgeable guides will bring the history of this vast site to life as we trek back in time past the Royal Tombs, the Church and finally the Monastery. You will have free time to explore Petra before heading back to the hotel for dinner. (B,L,D)

Accommodation: Hotel

---

**DAY 6** Thu 14 Nov

-

**Petra to Wadi Rum Desert (45km)**

After breakfast, you will ride your bike through a magnificent route until you reach Delagha. From there you will board a bus to take you to your traditional Bedouin Camp for the night in the Wadi Rum Desert. In your camp, you will be able to watch the stunning desert sunset and ever changing colours in the rock formations. In the evening, you'll find out more about Bedouin life and experience the delights of desert cuisine cooked over a fire. Make sure to look up and see the amazing night's sky and stars! Vehicle Transfer - 85km / 2hrs.

Accommodation: Bedouin Desert Camp

---

**DAY 7** Fri 15 Nov

-

**Wadi Rum Desert to Aqaba and return to Amman (55km)**

On your last day of cycling, you will cycle from Wadi Rum until you reach the end of this incredible challenge, on the shores of the Red Sea in Aqaba. You will have lunch at a local restaurant before returning to Amman in the afternoon for your celebration meal. Vehicle Transfer - 330km / 4hrs.

Accommodation: Hotel

---

**DAY 8** Sat 16 Nov

-

**Return to UK**

After breakfast, checkout from the hotel, then transfer to Queen Alia Airport for departure. (B)

---

**NB**

B = Breakfast, L = Lunch, D = Dinner

The itinerary is there as a guide and may change due to unusual weather patterns, wildlife movements, the strength of the group, and so on. We will do our very best to keep to the set itinerary, however we cannot be held responsible for any last minute changes that might occur. In all such circumstances, your expedition leader will have the final say.

## HOW TO FUND YOUR CHALLENGE

This page provides you details of the costs of your challenge.  
The costs below are per person.

### SELF FUNDER

-

Pay a registration fee of £425.00 when you book

Then a balance of £1664.00 (10 weeks before your challenge)

Raise as much as you can for your charity.

### MINIMUM SPONSORSHIP

-

Registration fee of £425.00 when you book

Raise a minimum of £3395.00 for your charity.

### FLEXI

-

Registration fee of £425.00 when you book

Then £425.00 towards challenge costs (10 weeks before your challenge)

Raise a minimum of £2530.00 for your charity.

You will be invoiced for the air tax and fuel element contribution for your international flights, capped at £150.00, which is due 10 weeks before departure.

## WHAT'S INCLUDED

### Before you go

-

- Visa (if required)
- 12.5% off Cotswold Outdoor, Snow + Rock, and Runners Need
- Fundraising advice
- Fitness training notes
- Risk assessment and emergency management planning
- Access to your own password protected account including support materials and training schedules
- 16 and 20 week trek/bike training schedule
- Visa

### On your challenge

-

- Drinking water on challenge days
- Three meals a day (unless otherwise stated in the itinerary)
- Support vehicle and qualified cycle mechanics available throughout the challenge
- UK-based 24-hour emergency support line
- An English speaking first aid trained challenge leader and full local support team (assistant, drivers, mechanic, medic)
- All challenge management before, during and post event
- A Charity Challenge T-Shirt
- Activity equipment such as bikes, tents and rafts as per the challenge activity
- Entrance fees to national parks or other places of interest visited on the itinerary
- International flights to and from the UK, in economy class (see air tax exclusion below)

## WHAT'S NOT INCLUDED

### Before you go

-

- Travel to and from the UK airport of departure
- Clothing and equipment listed on your Kit List

### On your challenge

-

- Contribution towards air taxes and fuel element (please see the section below on "Air Tax and Fuel

Element Contribution")

- Helmet
- Tips
- Personal spending money

## THE DETAILS

### Registration fee in instalments

The first instalment of £212.5 is due at the time of booking. The second instalment of £212.5 will automatically be debited from your credit/debit card 31 days after you book. We can only accept payment for your registration fee by instalments if you book and pay online. Please note that when paying your registration fee in instalments, a £10 admin fee will be added to your first registration fee payment. Please note that your booking will not be processed (and we will not send an authorisation request to your charity) until we receive the payment for your second instalment. Your place on the challenge will only be held until 31 days from your initial booking. If we are unable to take your second instalment, your booking will be cancelled and normal cancellation terms will apply.

### Fundraising deadlines

You will need to send your sponsorship money to the charity as you raise it. At least 80% of the minimum sponsorship required must be sent to the charity 12 weeks before departure (by 17/08/2024), and the remaining 20% within 4 weeks of completing the challenge (by 14/12/2024). If you have raised the necessary funds, the charity will then pay the balance of your challenge costs. The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.

### Air tax and fuel element contribution

The air taxes, and fuel element, that make up part of the flight costs can fluctuate significantly before a challenge takes place. As such, we exclude part of these taxes from the initial cost of the challenge and we will invoice you for it 10 weeks before departure. This applies to all participants on all payment options. For the challenge you are booked on this payment will be capped at £150 and we will absorb any amount above that. Please be sure to factor this cost into your budgeting for the challenge.

Typical group size	The typical group size is 15 - 30 participants
Small group supplement	The costs and sponsorship levels on our website are based on a minimum of 15 participants. We can run this trip with 10-14 people, but there will be a small group supplement of £125. This is payable by your charity if you book under the Minimum Sponsorship or Flexi options, and by yourself if you choose the Self Funder option. We will notify you 12 weeks before departure if this is necessary.
Optional extras	Single room supplements* Travel insurance (*subject to availability)
Travel insurance	Your safety when travelling with Charity Challenge is our main concern, which is why it is a booking condition that you have a suitable travel insurance policy, which covers you for the adventurous nature of your challenge, the activities you are undertaking, and the altitudes. We have chosen to partner with specialist travel insurance providers Campbell Irvine, who offer cover for an extensive number of adventurous activities. Cover is available directly from Campbell Irvine for most European residents and includes cover for emergency medical and repatriation and for your cancellation or curtailment of the challenge. Full details including costs may be found at <a href="http://www.campbellirvinedirect.com/charitychallenge">http://www.campbellirvinedirect.com/charitychallenge</a> .

### What are the bikes like?

The bikes that we use are Trek 7.1 and 7.2 (2023 model). They are available in XS, S, M, L and XL and you will have plenty of time to select the right bike for you and make all the adjustments you need. Bikes will be prepared based on the heights that you provide at the time of booking. There is a possibility to fit your own pedals and you may bring your own saddle if you wish. We have plenty of spares and our helpful mechanics are on hand at all times to help with repairs or adjustments.

### Pre-Existing Medical Conditions

We do not professionally vet your medical details. Please assess for yourself whether you are fit and able to take on the challenge. Please review the detailed Trip Notes and itinerary to get a better idea of what is involved. Please speak to your doctor or specialist if you have any concerns about taking part. If you think that there are things we can do to make the challenge more accessible/comfortable for you, it is your responsibility to let us know, and we will then let you know if we can accommodate your request.

### Emergencies

Full back-up support (by 4WD vehicles) will be close by and can be brought in should there be an emergency, or if you need to stop for any reason. The challenge is not run as a race and there is always a large discrepancy in people's cycling abilities. There will be a staff member at the back of the group at all times to ensure that no one is left behind and can take things at your own pace.

### Safety

Charity Challenge considers the safety of all of its participants and staff to be a top priority, and as such we have set up a thorough safety management system. In a nutshell, Our Challenge Safe brand formalises our ethos when it comes to safety, and brings together the procedures and risk management strategies that we use to audit all aspects of our challenges, from vehicles to accommodation to the activity itself. Your welfare is paramount! In terms of your Dead Sea to Red Sea Bike Ride, there are a couple of important points that you should be aware of:

- The cycling route is exposed, with almost no shade, and on sunny days the temperatures can soar. You should ideally be wearing sun cream and a cap (which can be worn under your helmet) and be hydrating constantly!
- You will be cycling on highways that are used by all sizes of vehicles and the odd camel!
- The local team are very good at trying to accommodate different dietary requirements. However, a vegan and gluten free diet will be difficult to cater for. If you have any dietary requirements, please let us know and we will try our best to accommodate your request. Please make sure you bring some extra snacks and products that you are used to eating.

### Medical Support

First Aid qualified staff will be provided with the medical details that you give on your booking form but please note that they are on the challenge to support with medical matters related to the challenge environment and terrain itself, i.e. heat/cold, high altitude and so on. They will deal with any incidents and accidents (cuts, sprains, breaks and so on). They are not intended to continue any ongoing specialist medical care that you receive in the UK

for pre-existing medical conditions, and should not be assumed to have any professional experience of your specific medical condition.

If you have any specific needs around pre-existing medical conditions, you should discuss with your family doctor or specialist in advance and can discuss any advice given by them with the challenge leader or doctor.

### Typical Day

You will wake early (around sunrise), in time for a hearty breakfast. Cycling days will last between 4-8 hours, including breaks and snacks. You will have a leisurely, longer break for lunch around noon (picnic or cooked lunches will be provided). You will arrive at your accommodation each day before sunset.

### Flights

You will be flying from a London airport to Amman. The journey will take approximately 6 hours. Your flight tickets will be e-mailed to you before departure. If you choose to book your own flights, you must confirm with the Charity Challenge office before paying otherwise you may be liable for your included group flights. Please contact: [flights@charitychallenge.com](mailto:flights@charitychallenge.com) for further assistance.

### Visa

British citizens require a visa to visit Jordan. When arriving at an airport in Jordan, participants can obtain a visa which will be organised in advance by our partners in country who will be provided with a full list of participant names and passport details. Our partners in country will provide an airport representative to facilitate the smooth collection of the visas for the group on arrival. There is no cost of this service when on the group flights. You must hold a full ten-year passport with at least six months to run from the end of your challenge, and at least one blank page for your visa and entry/exit stamps.

### Insurance

Your safety when travelling with Charity Challenges is our main concern which is why it is a booking condition that you have a suitable travel insurance policy that will cover you for the adventurous nature of your challenge. We have chosen to partner with specialist travel insurance providers Campbell Irvine, who offer cover for an extensive number of adventurous activities. Cover is available directly from Campbell Irvine for most European residents and includes cover for emergency medical and repatriation and for your cancellation or curtailment of the challenge. Full details including costs may be found by clicking [here](#). For more general travel insurance questions, please refer to our main [FAQs](#) page.

### Climate & Terrain

#### Climate

Jordan's climate is subtropical – hot to very hot summers and warm to cool winters. Where most of Jordan is

covered by desert, summers are extremely hot. We tend to run our trips in Spring & Autumn as the weather is better & cooler then. It is very hard to predict the weather in Jordan but you can expect anywhere between 19°C - 35°C, depending on what time of year you are going. It is always worth checking the weather close to your departure. However, always remember the nights will be cold.

### **Terrain**

The route is mainly on paved roads or cycle paths. The terrain is mostly flat with undulating sections. It is likely to be dusty and sandy when cycling, especially if the wind picks up.

### **Luggage allowance & valuables**

Try to keep luggage to an absolute minimum – details of what to pack are provided in your kit list. Your rucksack/duffel bag (suitcases are not appropriate) must not exceed the maximum weight limit of the airline you are flying with (usually 20kg, however do check this with the airline or contact our flights team if in doubt).

Each day when you begin to ride, your main bag will be transported to the next nights' accommodation. You will only need to have a daybag, handle bar bag or bum bag with you during the day and you will be able to access your day pack at rest stops.

While we will do everything to provide adequate safety for the group and security for your possessions, the general rule is that if you don't need it, don't bring it. This includes jewellery, necklaces, rings and even watches. Your passport and money should be kept on you at all times.

### **Responsible Tourism**

At Charity Challenge we are committed to sustainable and responsible tourism, and work closely with bodies such as the International Porter Protection Group and Climate Impact Partners to ensure that our challenges benefit the local environments and communities in which they take place. We ensure that all rubbish is disposed of responsibly, and following local guidelines on cultural and environmental protection and respect, we aim to limit our impact on the natural environment. In addition to taking these practical steps to ensure that our challenges are sustainable, we also make a contribution each year to a number of local community projects, so as to give something back directly to the communities that we visit. Since 2000 we have donated almost £200,000 to such projects, supporting a range of initiatives, including schooling for children in Africa, shelter for street children in Brazil, and Orang-utan conservation in Indonesia. We recommend that any gifts brought over for children are given to the UK challenge leader and distributed where needed by them and our local Ground Agent. If you wish to do more, you should consider buying drinks, postcards and souvenirs from the local vendors. For many, it is their sole source of income. For more information, please visit our [Responsible Tourism](#) pages, where you will be able to view a list of the projects that we currently support.

On your Dead Sea to Red Sea Bike Ride, we commit to the following:

- Wherever possible using local leaders and support staff from the Bedouin tribes who live in the area of the Dead to Red cycle challenge. The local team for this challenge are either native from or long-term residents of Jordan. This will ensure that you not only will have a much higher level of engagement with the local culture, but also knowledge of the environment, local ways of living, history and experiences from the locals.
- The support of our local staff does not stop after your challenge has finished. Our ground handler provides

annual training on safety, group management, environmental protection management, and First Aid. This continued support throughout the year empowers our local leaders and helps to keep them up to date with best practice.

Using local produce and reducing our plastic footprint:

- Our ground handler sources local produce to ensure fresh food and provides water for you to refill your water bottles at the beginning and end of the day which cuts down our use of plastic bottles, and of course all this fresh water will help you to stay hydrated.

Animal Welfare:

- You should be aware that when you arrive in Petra, tourists are offered the chance to ride donkeys, horses and camels through the massive site, and whilst we will cover the site on foot, many others will choose an option that is animal led. This can be uncomfortable for some.

## Vaccinations & Medicines

### Vaccinations

For up to date vaccination information please check the Travel Health Pro page:

<https://travelhealthpro.org.uk/country/115/jordan>

Charity Challenge are not medical experts and we would encourage you to visit your doctor or travel nurse to discuss vaccination requirements. Your doctor may ask questions about the specific locations that you are visiting, and as such it may be useful to take a copy of your itinerary with you.

### Medication

- Carry medicines (including those bought over the counter) in their correctly labelled original packaging, as issued by the pharmacist. These should be carried in your hand luggage.
- Consider packing a spare supply of medication in the hold luggage in case of loss of hand luggage
- A letter from the prescriber detailing the medicines with the generic names for the medications can be helpful for border control checks, and in case medicines have to be replaced or medical help is required
- Carry a note from the prescribing physician on letterhead stationery for controlled substances and injection medications

N.B. Some medications are banned abroad so please check. You can find further information at

<https://travelhealthpro.org.uk/factsheet/43/medicines-abroad>

## Training

Training and fitness is definitely required. It is important that you work specifically on your stamina, leg and joint strength, core and balance in order to get as much out of the challenge as possible. You will be cycling everyday on varied terrain so get out on your bike as often as you can! You need to be able to sustain around 4-8 hours of cycling for 5 continuous days, so replicating this over a weekend would be fantastic training, if you are able. In your Charity Challenge account you will find more comprehensive Fitness Training Notes.

### Level of difficulty

The Dead Sea to Red Sea Bike Ride is graded as challenging. A "challenging" trip is the perfect challenge for someone who has perhaps never taken on a challenge event before, and is looking to test themselves on an active physical challenge. Although a challenging challenge might be culturally challenging, you will usually be staying in hotels rather than camping throughout, and there will be no altitude involved. Training is necessary for all challenges to ensure you are fully prepared.

You can tell your supporters that on your Dead Sea to Red Sea Bike Ride you will be:

- Cycling for around 4-5 hours per day, covering approximately 225kms over 5 days.
- Battling the Jordanian heat. Temperatures can reach the mid 30°cs.

### Leadership

There will be an English-speaking challenge leader who will be responsible for the logistics and co-ordination of your challenge. There will also be numerous local support guides and staff to assist them. The challenge leader will be ultimately responsible for the running of the itinerary and the safety of your group.

### Group size

Each group is intended to be a minimum of 15 people in order to run and a maximum of 30 people. We will be able to run this challenge for 10-14 people by charging a small group supplement of £125.00 which will be added to your final balance invoice (self-funders) or charged to your charity (minimum sponsorship or flexi).

### Clothing & equipment

Good quality, durable kit could mean the difference between a fantastic challenge experience and an uncomfortable one. For your cycle challenge, padded cycling shorts and comfortable footwear are essential, and helmets are compulsory throughout. Training with your cycling shorts is definitely advised! You can bring equipment like clip-in pedals or a gel seat, if desired, in order to adapt your bike in country, and we would also recommend technical/wicking t-shirts rather than cotton shirts. A full kit list for this challenge can be found in your account area and once you book you will have access to kit discounts with our partners The Outdoor Shop, The Cycle Store, Outdoorhire and Cotswold Outdoor.

### Accommodation & toilets

#### Accommodation

During the challenge you will be staying in hotels except from the nights camping in Wadi Rum. At the camp in Wadi Rum, it is a permanent camp. This means the camp is more like 'glamping', it will be very comfortable and there will be a toilet block with showers and a communal dining area.

If you are travelling with a friend or partner who you wish to share with please ensure that you note this where appropriate when booking or email [challenges@charitychallenge.com](mailto:challenges@charitychallenge.com).

### Toilets

During the actual cycling day, you will have to make use of the bushes, trees and rocks for privacy if you are not close to villages for public toilets. Please ensure you have a supply of nappy bags/ziplock bags to dispose of used toilet roll, as well as wet wipes and hand sanitiser.

### Food & Drink

You will be served a variety of Jordanian food. All meals are healthy and nourishing. Lunches will be either in the form of light snacks suitable for biking, or picnics. There will be plenty of food to satisfy hungry appetites, but please let Charity Challenge know if you have any specific dietary requirements.

NB. You will only be expected to carry water & any essentials you would carry on a day ride – our support team will take care of the rest of your luggage.

### Money

**Currency:** Jordan uses the Dinar as its currency. For up to date currency exchange, go to [www.xe.com](http://www.xe.com). You should ideally bring a combination of Dinars and Sterling, or Sterling that you can change into Dinars on arrival in Jordan.

**Credit Cards:** Credit cards are welcomed in Amman (Visa, MasterCard, Diners and American Express), but take cash for small towns and villages. Major credit cards are accepted in most hotels, shops and restaurants.

**ATMs:** You will find ATMs in Amman and Petra, located in the airport, the city centre or near banks.

**How much to bring:** You will not need a large amount of money during this trip, as most expenses are included. You should only need money for tips, food & drink (additional), gifts and souvenirs. There are a wide range of souvenirs to buy including rugs and jewellery. On average around £150-£200 plus a credit card in case of an emergency, should suffice. We recommend that you carry some cash. You will mainly need Dinars in small denominations for the staff tips for this trip.

**Tipping:** Tipping is personal and at your sole discretion. You should only tip if you feel that you have received good service. We recommend £16 per person per day for the 5 days of activity in country, (£80/70-75 Jordanian Dinar) in total ideally in small denominations, and this should be given to the challenge leader during the trek who will distribute it among the support team, including guides, assistant guides, drivers, and hotel staff.

### Phone & Wi-fi

During your challenge you are likely to have good wi-fi access each evening and phone signal. However, we recommend that you enjoy the opportunity to disconnect.
